The image shows a mobile application interface for planning a flight. The app is titled "Plan Flight" and has a home icon in the top right corner. The interface is divided into three main sections: "Where to?", "Where from?", and "Give this trip a nickname!". Each section has a text input field with a placeholder label and a clear button (X). The "Where to?" and "Where from?" sections are marked as required with a red asterisk. The "Give this trip a nickname!" section is marked as optional. A "Back" button is located at the bottom of the form.

The image shows a mobile application interface for planning a hotel stay. The app is titled "Plan Hotel" and features a dark teal header with a hamburger menu icon on the left and a home icon on the right. The status bar at the top shows the time as 15:45. The main content area is white and contains three input fields, each with a calendar icon to its right. The first field is labeled "Check In?" and contains the date "08/21/2017". The second field is labeled "Check out?" and contains the date "08/25/2017". The third field is labeled "Location?" and contains the text "Location (Click here)" followed by a close button (X). Below each date field and the location field is a red asterisk followed by the word "Required". At the bottom of the screen is a teal button labeled "Back".

The image shows a mobile application interface for planning a hotel stay. At the top, there is a dark header bar with a hamburger menu icon on the left, the title "Plan Hotel" in the center, and a home icon on the right. Below the header, the main content area has a light teal background. It contains three rows of dropdown menus for selecting the number of rooms, adults, and children. Below these, there is a "Pet Friendly?" section with a "Yes" button. Further down is an "Advanced Search Options" section with a "Go" button. At the bottom of the screen, there are two buttons: "Back" and "Next".
